our story

Better Food For The Future

**Welcome to the new food revolution.
Born at SPC, inspired by you.**

SPC has been committed to producing Australian grown & made food for over 100 years. We have had a strong relationship with Goulburn Valley growers and the wider community since 1918.

We support local growers to ensure that we have a high level of Australian content in our products. This allows us to know the origin of our food, reduce food miles, boost local economy and enhance environmental sustainability.

Today we have evolved into a global business with a broad portfolio of products, all designed to provide better food for the future.

our brands

Australia's Favourite Brands

Whether you're looking for something new or finding your favourites, SPC offers a range of products to suit all your needs.

SPC

SPC is an Australian brand that has been producing high quality products for Australian families for 100 years.

Proud of its rich Australian heritage and provenance, SPC provides naturally better and more convenient options for all Australians to eat well.

The SPC range includes canned fruits, fruit cups, baked beans, canned spaghetti and more.

Ardmona

Only the plumpest, juiciest, tastiest tomatoes make it into every can. Vine-ripened under the Australian sun and harvested at the perfect time for maximum flavour, these deliciously vibrant little beauties are 100% home grown on farms in Victoria's Goulburn Valley region.

They're produced in clean, green conditions under strict food safety standards and they're picked and packed within 24 hours to lock in all the natural goodness, so they're absolutely bursting with flavour.

Goulburn Valley

Since 1979, Goulburn Valley, has been proudly preserving our region's beautiful fruit produce. We believe everything tastes better up here.

When you discover how beautiful the Goulburn Valley is, you'll understand why our fruit is perfect for you and the family to enjoy either on its own as a snack, with your breakfast, and in your cooking, baking and dessert creations.

Juice Lab

At Juice Lab, our science-based, natural formulations harness the essence of nature's finest ingredients, creating nutrient-dense powerhouses with carefully measured, therapeutic doses.

Using evidence-based doses our formulations give you maximum wellness benefits you can truly taste and feel.

why SPC?

Over 100 Years of Australian Produce

Australian Owned & Grown

We've been putting food on the tables of Australians since 1918 – whether that's Aussie grown stone fruit, tomatoes, or baked beans and spaghetti. When you purchase SPC products, you're helping to create a sustainable future for local businesses and employees.

Convenient & Better For You

Our products are made using the ripest Australian fruits and vegetables so you can enjoy them at their freshest all year round. Plus, they're free from artificial colours and flavours, preservatives and added sugar. And they're a great option for on-the-go!

Quality & Halal Certified

Our growers produce clean, green and safe ingredients that we manufacture in full compliance with Food Standards Australia New Zealand (FSANZ). Each grower is also regularly tested and audited, and must be HACCP certified. Plus, our retail range is 100% halal certified.

our quality promise & service provisions

We are proud that 90% of our ingredients are grown right here in Australia. We want to see a vibrant and successful food manufacturing industry in Australia, so we work closely with our growers to ensure that our products contain the highest-quality Australian fruit. We also work hard to communicate the importance of paying a little extra for quality Australian products.

Our manufacturing sites in Shepparton and Kyabram are regularly tested and audited against the most stringent food safety and environmental standards in the world. This ensures our Australian grown and made food products are among the cleanest, greenest and safest.

By partnering with us, you'll receive the support of a dedicated export account manager, customer service and marketing teams, and premium shelf-stable Australian fruits, tonic shots and beans.
